Round: D 130cm

Rect: W 140cm L 140cm, W 180cm L 90cm,

W 200cm L 90cm, W 360cm L 90cm

Designed by Claesson Koivisto Rune, the Kalahari is a series of wooden tables and cabinets of various sizes and shapes, based on two key features. A leg that appears to have been pushed through the top to show on table surfaces; and cabinets with doors that have a herringbone pattern that has been individually hand machined by mabeo craftsmen.

Made in Botswana.
